

EGGS OF THE WORLD
IN DANGER

INCREDIBLY PRECARIOUS EGG CUP

No. 1: The Eiffel Tower

Fiddliness Level:
EXTREME

Transport your egg to Paris
by perching it at the very top
of this international landmark.

Cut out the shapes.
Fold on green lines,
and fold the yellow
flaps over.
Stick together, and
precariously balance
your egg on top.

egg drop
