

# Make your own SUITCASE ADVENTURE BOOK

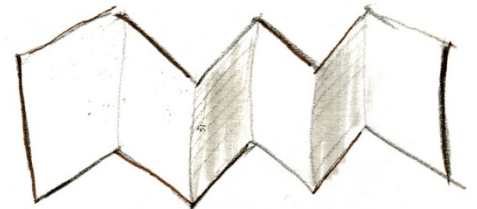

Fiddliness level: **moderate**

## What to do:

Cut along the **red** lines, and fold where it's marked (don't fold down the handles).

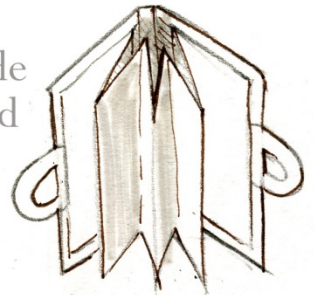

You should have something like this.

Make yourself a zig-zag the right size to fit inside.

Stick it inside the front and back of the cover.

NOW, fill your book with:

expedition photographs

maps

essential equipment

ANYTHING ELSE YOU CAN THINK OF!
